

Help build the path to Excellence

Through the

GLENCOE
EDUCATIONAL
FOUNDATION

With a

GIFT THAT WILL LAST FOREVER.

Let us inscribe a brick or a paver to support the continued excellence of your Glencoe Schools. Your generous gift supports District 35 schools while honoring your child, special teacher or school!

Your donation of \$100 per engraved 4" x 8" brick will offer a lasting impression of your generosity and acknowledgement of a special person or occasion. Larger 8" x 8" pavers can accommodate greater detail and are a distinctive alternative. They are available for \$200 each.

Or make a more significant impression with a tree or a bench. You may now purchase a tree or a bench to be installed on District 35 property with a customized plaque. For options, please contact Audrey West at thewestgang@yahoo.com

All information must fit in the boxes provided - a maximum of 13 characters per line; only one character per box including spaces and punctuation marks. Lines will be centered by the engraver. If you have questions, please e-mail Audrey West at thewestgang@yahoo.com
